Good Food Box Sponsored Box Program

INTRODUCING SPONSORED BOXES

The Grey Bruce Good Food Box is happy to introduce the new Sponsored Box program. Through this program, households in need will have access to a free Good Food Box at the location of their choice.

GOOD FOOD BOX TOKENS

Recipients of a sponsored box will be given a token that can be used to pre-order a free Good Food Box at any Grey Bruce location.

Any community member, business, or agency can purchase sponsored boxes for those in need. These donations will then be shared with participating organizations. Donations can be directed to specific agencies or geographic areas.

REGISTER TODAY

Participating organizations can get sponsored boxes for their clients by:

- registering with the Grey Bruce Good Food Box to receive donations of sponsored boxes
- purchasing Good Food Box tokens for their organization

Tokens can then be distributed to clients based on the organization's own criteria.
